The interest shall be levied from the date of Disbursement of each Tranche under the Facility and shall be payable on each Interest Payment Date, until the Final Settlement Date.
 - (b) In case of change in risk weightage during the tenor of the Facility, due to any external or internal factors, breach of covenants and/or any other terms and conditions, as stipulated herein, the Lender reserves the right to change the Applicable Interest Rate and Schedule of Charges prospectively, at its sole discretion and with prior written communication to the Borrower, and the decision of the Lender shall be final and binding on the Borrower.

In cases where the reset of tenor of the Facility is resulting in negative amortization or a breach in maximum tenor / age as per the Lender's internal product policy, then the impact of revision would be only given in the EMI amount and the Borrower shall not be given an option to increase the tenor of the Facility. The Borrower shall have to respond regarding the option which the Borrower intends to select within 5 (five) days from the date of such intimation being sent by the lender regarding the reset of the Applicable Interest Rate by any of the means appearing in sub-clause (e) hereinbelow. If any of the options selected by the Borrower as per this clause, does not meet the required criteria as per the internal policy of the Lender, then the Lender shall have the right to reject the request of the Borrower as per its sole discretion and alter the terms and conditions of the Facility as it may deem fit and proper. However, the levy of foreclosure charges / prepayment charges on the prepayment of the Facility in part or in full shall be as per the extant RBI guidelines in that regard. The Borrower shall be entitled to raise discrepancies, if any, noticed by the Borrower in such statements within 5 (five) days of receiving statements of EMI Repayments, failing which the respective statements shall be deemed to be accepted by the Borrower. The Lender shall have the right to reset the Applicable Interest Rate (as stated hereinabove) with respect to loans having floating/fixed rate of interest on the Facility on the Interest Reset Date. The Applicable Interest Rate will be reset on the Facility, from the next EMI cycle date from the effective date of change in the Applicable Interest Rate. The Borrower shall be deemed to have notice of such change whenever the same is announced/notified/displayed by the Lender on its website or otherwise.
- In the event, the revised rate of interest as reset by the Lender is not acceptable to the Borrower, the Borrower shall have the option to prepay the Facility amount after giving a prior written notice of not less than 30 (thirty) days. However, till such time the new loan account is created and registered, the default changes as per the sole discretion of the Lender with regard to reset/revision of the Applicable Interest Rate will be given effect to the existing loan account of the Borrower.
